# Welcome !

jeudi 28 janvier 2010

The FENVAC (National federation of the victims of catastrophes) is an organization created by victims' families in 1994.

It gathers the victims' families of accidents like air crash landings, fires, explosions, collisions, natural disasters... 70 different accidents since its creation.

The goals of the FENVAC are :

- Mutual aid.
- Solidarity.
- Justice and the truth.
- Prevention.
- Memory.
